Dear Dr. N. Tamilselvan,

The Journal title mentioned above has been evaluated for inclusion in Scope Database by the Content Selection Committee (CSC). The review of this journal title is now complete and the CSC has advised that the title will be **Accepted** for inclusion in Scope Database. For your information, the reviewer comments are copied below:

The journal marginally fulfils the criteria for inclusion in Scope Database. The citedness of the journal should be improved. The editors are advised to extend the editorial board with active members from the international scientific community and solicit articles by eminent researchers in the field, in order to improve its citedness of scientific impact. The performance of the journal will be monitored and will be re-evaluated in due course.

Our Source Collection Management department will contact the publisher of this journal title within 10 days time period to initiate the indexing process for Scope Database. A content coverage agreement needs to be in place before we can start adding the content to Scope
